Seaside PTA Executive Board Meets

The Executive Board of the Seaside PTA held its August meeting at the home of Mrs. Clyde Miller.

James Miller, president, requested summer committee reports and Mrs. Jack Hensley, budget and finance committee chairman, reported that her committee had met and drafted a tentative budget for the coming school year.

Glenn Mosman, program chairman, announced that "Together We Build" has been selected as the theme for the year with monthly topics "Friendliness" for September, "Ties" for October, "Look and Listen" for November, "Christmas" for December, "Attitude" for January, "Service" for February, "Community" for March, "Education" for April, and "The Future" for May.

The goal of the unit for the next nine months will be to develop a program of activities to improve the physical fitness of the youngsters coinciding with President Eisenhower's recommendations and a policy to be announced by the Torrance Unified School District.

Mrs. James Miller, ways and means chairman, reported that her two movies were shown during summer school and announced that souvenirs and prizes have been selected for a carnival on Halloween. A program of motion pictures will be shown every week-end throughout the school year.

Mrs. Kenneth Daniels, treasurer, submitted her resignation from that office as she is moving to Denver. Mrs. Clyde Miller was elected to fill the vacancy.

The Greater Los Angeles Safety Council says more than twice as many citizens are killed in automobile accidents at night as in the daytime. When driving at night, reduce your speed and dim your headlights.
